

That
Noble Fury

The image features the title 'That Noble Fury' in a highly decorative, white calligraphic script against a solid black background. The word 'That' is positioned above 'Noble Fury'. The lettering is characterized by long, sweeping, and elegant flourishes, particularly on the 'T' in 'That' and the 'F' in 'Fury'. Scattered throughout the composition are numerous small, blue silhouettes of birds in flight, some appearing to fly towards the text and others away from it, adding a sense of movement and depth to the design.
